Societies Registration Act. 1869. The aim of this group is to provide Quality Education and to play a catalytic role in the evolution of Management, Information Technology, Pharmaceuticals, Teacher Education and School Education.

About the Institution:

The Bhartiya Vidya Mandir College of Management Education, Gwalior is one of the leading education institute providing management, computer application and teacher education courses in Gwalior, was established by Bhartiya Vidya Mandir Shiksha Samiti, registered under M.P. Societies Registration Act. 1860, in the year 1997.

The faculty interaction with the corporate world in the form of Research and Consultancy, Management Development Programmes and Conferences has become an important enabler for designing and imparting learner-centric value-based education. BVM College of Management Education has consistently updated the basket of specializations being offered to keep in synchronization with the changing business needs.

The Core Values of the BVM College of Management Education include the belief in the individual as the primary vehicle for initiative. The BVM College of Management Education aims at attracting diversity and providing it with an environment where it can flourish. The Institute promotes a culture of openness and change, where merit is the only criteria coexisting with teamwork.

About the Conference:

This Conference provides a global platform to unite education and management for sustainable growth, inclusivity, and innovation. It emphasizes the role of leadership and adaptive technologies in building future-ready learning systems.

The event gathers academicians, researchers, industry leaders, ed-tech innovators, and policymakers to share ideas, exchange best practices, and explore solutions for modern educational challenges.

It focuses on reimagining governance and academic delivery through digital leadership, promoting student engagement, transparency, and sustainability via smart, data-driven systems.

The conference also seeks to strengthen global academic networks through collaboration, research, and policy dialogue—positioning India as a leader in educational innovation and digital transformation.

With a multidisciplinary approach, it integrates education, management, technology, and policy to develop strategies that prepare institutions and leaders to drive impactful change worldwide.

Conference Objectives:

- Unite global stakeholders—including researchers, academicians, industry leaders, ed-tech innovators, and policymakers—to deliberate on emerging trends, challenges, and opportunities in educational management and adaptive technologies.
- Facilitate knowledge exchange and collaboration by providing a platform to showcase pioneering research, innovative practices, and transformative technologies shaping the future of education.
- Reimagine institutional governance and academic delivery through digital leadership and adaptive solutions, enhancing student engagement and ensuring sustainable, inclusive education systems.
- Highlight advancements in smart and adaptive management systems that improve institutional efficiency, transparency, evidence-based decision-making, and learner-centric approaches.
- Strengthen global academic partnerships by fostering international cooperation, collaborative research, capacity building, and policy dialogues for a resilient education ecosystem.
- Position India as a hub of educational innovation and excellence, advancing its role as a global leader in driving digital transformation and adaptive technologies in education.
- Encourage multidisciplinary perspectives by integrating insights from education, technology, management, and policy studies to develop holistic strategies for contemporary educational challenges.
